

To all club members,

Now at the beginning of the new motorsport season, we are appealing to all our members for help in running events in the year ahead.

What Kind of Help?

Various levels of help are needed – stage commanders, officials, marshals, timekeepers, radio operators, stage entrance/exit officials and service area marshals etc.

Why is Help Needed?

It takes hundreds of personnel to cover a stages rally – our own stages takes approx. 250 alone. We must also get help from our neighboring clubs and hence – we must return the assistance.

What are the Events?

ALMC Endurance Trial: Saturday 16 th February	Midland Stages: Sunday 24 th March
Cavan Endurance Trail: Sunday 14 th April	Monaghan Stages Rally: Sunday 28 th April
Cavan Stages Rally: Sunday 26 th May	
Donegal International Rally: Friday 21 st , Saturday 22 nd & Sunday 23 rd June	
Connacht Stages (Sligo): Sunday 14 th July	Monaghan Endurance Trial: Sunday 18 th August
Donegal Harvest Stages Rally: Saturday 12 th October	

How Do I Offer?

As a competitor, nominate an event(s) on your license renewal application form that you can assist on. Otherwise, contact me or any other club member and highlight the event you may be able to attend and help out.

What are the consequences of not enough help?

A stage/stages could be instantly stopped or called off.

How close are we to being in trouble?

We have been struggling seriously during the past years and more. The FUTURE of our sport depends on the availability of our volunteer assistance.

An Appeal

We love this sport – please give your best effort to assist. We need you, and we can't do without you. There is no 'someone' else!

Yours in Motorsport

Conor Maguire
